

PULARYS XML FILE USER GUIDE

1. Languages of XML files

To download the XML file in one of the languages available at <https://pularys.com/> website, change the country code in the link to the XML file to the required one.

Examples:

For PL language: https://pularys.com/pl/pularys_xml

For EN language: https://pularys.com/en/pularys_xml

For DE language: https://pularys.com/de/pularys_xml

etc.

2. The content of XML file

At: https://pularys.com/en/pularys_xml you will **only** find information on products available in the **current offer (for the given day)**.

LIST OF ALL VALUES IN THE /pularys_xml/ FILE

<name>**Name of the product**</name>
<code>**Code of the product**</code>
<main_image>**Main image of the product**</color_image>
<images><list-item>**List of the images of the product**</list-item></images>
<price_pln>**PLN Price**</price_pln>
<price_eur>**EUR price**</price_eur>
<price_usd>**USD price**</price_usd>
<ean_code>**EAN code of the product**</ean_code>
<color/>**Colour of the product**</color/>
<size>**Size of the product**</size>
<materials>**Material of the product**</materials>
<features><list-item>**List of the features of the product**</list-item></features>
<categories><list-item>**List of the categories the product belongs to**</list-item></categories>
<description>**Product description**</description>
<related><list-item>**Related products**</list-item></related>

3. Explanation of the product codes

For product and service codes two formats are being used: **_xxx_yyy_zz** or **xxxx_yyy_zz**

Explanation:

xxx or xxxx - the number of the model

yyy - is the material the product is made of

zz - is the colour of the product

Codes of the materials:

| | |
|------------|---|
| 108 | Aluminium |
| 131 | Italia Leather |
| 141 | Nomad Leather |
| 215 | Tyvek |
| 284 | Hunter Leather |
| 310 | The Original Legendary Vintage Saddle Leather |

Codes of the colours:

| | | | | | | | |
|-----------|-----------|-----------|--------|-----------|--------|-----------|-------------|
| 01 | black | 05 | green | 11 | red | 29 | turquoise |
| 02 | brown | 06 | cognac | 12 | blue | 34 | caffe latte |
| 03 | cherry | 09 | orange | 23 | grey | 35 | dark grey |
| 04 | navy blue | 10 | beige | 24 | yellow | 40 | silver |
