pularys

Dear Customer,

To download the complete set of product images, please follow this link:
https://pularys.com/pularys_download_all_files

It may take a few minutes to generate the ZIP file. Do not close the browser window during the download.

The images of the specific products will be organised in folders named with the product codes. The first four digits indicate the model of the product, the next three digits indicate the material, and the last two digits indicate the colour.
The downloaded folders will only contain images of the products currently active on the website https://pularys.com/.

Codes of the materials:

108	Aluminium
131	Italia Leather
141	Nomad Leather
215	Tyvek
284	Hunter Leather
310	The Original Legendary Vintage Saddle Leather
